All Seasons Hire provide Air Conditioning to motor convention

All Seasons Hire was recently asked to provide Temporary Air Conditioning to a large exhibition centre in Geneva, Switzerland. The exhibition hall was hosting a convention for dealers of a prestigious motor car company and needed Air Conditioning for the conference and dining areas. For this purpose All Seasons Hire provided a 160Kw Trane AquaStream 2 Chiller to supply eight 20Kw Air Handling Units, which are designed to blend discretely into the background of the Exhibition.

All Seasons hire operate a fleet of modern highly energy efficient Trane Chillers offering unequalled reliability. As well as providing Air Conditioning solutions for Events planned well in advance All Seasons Hire can also provide emergency response Cooling Solutions for a variety of applications with Chillers available from 5Kw up to 550Kw

The Trane Chiller units are ideal for breakdown recovery applications, allowing utilisation of the clients existing pump sets without any modifications to the system. For more detail or informal discussions regarding Chiller Hire please call 0800 082 80001 or visit www.allseasonshire.com

All seasons Hire provides Air Conditioning, Portable Chillers, Portable Boilers, Commercial Refrigeration and Heating Solutions for all types of business environments including small medium and large Events and Exhibitions, Server Room Air Conditioning, Disaster Recovery and any environment requiring Temporary Air Conditioning, Heating or Drying
