

PRESS RELEASE

All seasons Hire provide emergency Chiller Hire

Recently All Seasons Hire was called in by a company with a large office space needing to be Air Conditioned. Their current Chiller system had broken down and they needed a Temporary Air Conditioning solution. All Seasons Hire was able to quickly supply and install two 160Kw Chiller units supplying two 150Kw Air Handling Units. Due to the location of the office the two Chiller units had to be placed on the roof, All Seasons Hire was able to organise a crane to lift both Chiller units onto the roof for the customer.

All Seasons Hire has a wide range of Portable Chillers ranging from 10kW to 550kW. The mix of Chillers available for Hire gives All Seasons Hire the flexibility to provide Temporary and Fixed Cooling Solutions of all types including Portable Air Conditioning, Portable Process Cooling, Low Temperature Applications. The company also supplies Portable Boilers ranging from 22kW three phase electric to 550kW Oil Fired or Natural Gas fired

All seasons Hire provides Air Conditioning, Portable Chillers, Portable Boilers, Commercial Refrigeration and Heating Solutions for all types of business environments including small medium and large Events and Exhibitions, Server Room Air Conditioning, Disaster Recovery and any environment requiring Temporary Air Conditioning, Heating or Drying
