

PRESS RELEASE

Business As Usual Over Xmas Holidays for All Seasons Hire

The current cold snap has caused several heating systems to overload and breakdown. All Seasons Hire has been busy during the period between Xmas and New Year delivering Portable Heating for a variety of businesses. One such call for help came from a major London Retailer who had lost the heating at its main customer entry point. Following the call All Seasons Hire responded straight away delivering and installing Portable Electric Fan Heaters to the site. Commercial Director Andy Hamilton stated; "we installed the Portable Electric Heating Units and within the hour temperature near the main doors started to rise". Andy went on to say "All Seasons Hire take great pride in delivering quality and timely customer service; in the hire industry our job is to respond to these types of call out and deliver Cooling or Heating solutions restoring normal operating conditions as soon as possible no matter what time of day or year! All Seasons Hire reacts fast, delivering Air Conditioning, Process Cooling, Dehumidification, or Heating Hire solutions where ever and when ever they are needed".

All Seasons Hire have a large and comprehensive Hire fleet ranging from 14000 BTU to 35000 BTU Portable Air Conditioning units, Portable Chiller Units ranging from 50kW to 550kW, Portable Space Heaters from 20 to 200kW, Dehumidifiers and a large modern Hire Fleet of fully Portable packaged Boiler Rooms capable of delivering Portable Heating and Hot Water with duty ranging from 22kW to 550 kW.
