

**ALL SEASONS  
HIRE**

## **PRESS RELEASE**

### **Boiler Plant Room Installations**

Boiler Hire Company All Seasons Hire, were recently asked to design, build and install a containerised boiler room for a large leisure centre. The specification was for two independent natural gas boilers with a combined duty of 1000kW contained in single, permanent steel boiler housing. Commercial Director Andy Hamilton said "we were delighted to win this project, All Seasons supplied the Boiler Room using only the best products, the two independent boiler units were manufactured by Viessmann, the gas burners used are Weishaupt; all other components used were sourced from top HVAC manufacturers. The requirement for external Boiler Plant Rooms is growing and All Seasons are pleased to be winning this type of business"
