

## PRESS RELEASE

### All Seasons Hire Get Ready for the summer

Air Conditioning demand is growing! Companies throughout the UK are moving location, updating property, expanding or starting new businesses. Pressure is also growing to provide improved working conditions with Air Conditioning at the top of the list for many workplaces including offices, shops, workshops, doctor and dentist surgeries and many other working environments.

Many businesses especially in large cities are taking the option of short term property leases; many of these do not have Air conditioning; in these situations Portable Air Conditioning Hire is the perfect solution. All Seasons Air Conditioning is ready to address the 2008 demand with a new and revised level of Portable Air Conditioning products. Andy Hamilton Commercial Director for All Seasons Air Conditioning stated that; "we have invested heavily throughout 2007 and continued that trend into 2008. Many Air Conditioning Hire companies have an ageing fleet that look very tired, however we All Seasons Air Conditioning are proud to have one of the latest hire fleets including Portable Split Air Conditioners, Exhaust Tube Air Conditioners, Evaporative Coolers, Chillers and Air Handling Units. Our Portable Air Conditioning range goes from 14000 BTU to 35000 BTU all capable of running on a single phase supply. Our Chillers range from 50kW to 500kW with Air Handling Units available in 15kW, 30kW, 50kW and 100kW."

All Seasons Air Conditioning also supply and install fixed Air Conditioning, manufacturers are carefully selected giving customers a wide choice of top brands including, Toshiba Air Conditioning, Panasonic Air Conditioning, Daikin Air Conditioning, Fujitsu Air Conditioning, and LG Air Conditioning.
