

PRESS RELEASE

All Seasons Hire Warm Up Super Cars

An exciting new concept that gives super car enthusiasts the best of all worlds was recently launched in Basingstoke – the exclusive club gives its members the opportunity to drive some of the World's most sought after Super-cars. The prestigious line up of super cars includes:

- * Bentley Continental GTC
- * Ferrari F430 F1 Spider
- * Lamborghini Gallardo Spyder
- * Lamborghini Murciélago LP640 Roadster
- * Aston Martin V8 Vantage
- * Porsche 911 Turbo Cabriolet Tiptronic

At the launch of this new concept the newly opened showroom needed a rapid injection of heat! Air Conditioning and Heating Hire Company All Seasons Hire. Were delighted to help and installed a simple but effective short term solution using Portable Gas Fired Heating. Needless to say the launch was a complete success with members of the club and potential customers able to enjoy their Super Car experience in a warm comfortable environment. All Seasons Hire are capable of delivering Heating, Air Conditioning, Refrigeration and Drying solutions to a wide variety of business sectors including Retail, Automotive, Offices, Construction, M&E contractors, Facilities Managers, Local and Central Government. Commercial Director Andy Hamilton stated the “we are delighted to help local and national business with short medium and long term Heating, Air Conditioning, Drying and Refrigeration needs. The Heating installation for the Super Car Launch was a local challenge where we provided a small simple but effective solution. We are asked to manage a wide variety of jobs ranging from small Heating and Air conditioning work to large difficult environments that require high duty equipment such as Portable Boilers, Portable Chillers, Portable Cold Rooms and large high output Dehumidifiers.
